## Flat Fee MLS Listing Service Sells Homes

List your property on the MLS to sell it fast! And the best part is YOU sell it yourself and save \$\$\$ on Real Estate Commissions.

### Get your property listed on the Multi List System for Realtors

Many property owners try to save money and sell their properties themselves in the newspaper or on unpopular websites. The problem is two fold, first, nearly 90% of homebuyers shop on the internet at Realtor.com or related MLS listing sites, second, many homebuyers are apprehensive about not using a professional Realtor to help guide them through the process. Realtors are trained to get the buyer qualified with a Lender, and then they bring them to look at your property. Why not take advantage of the system that has been in place for 50 years to help you sell your house, and STILL save \$\$\$ on Real Estate Commissions

### Turn Key MLS Listings
